Memorandum

TO: Town Council

FROM: Robert H. Stabe Jr., Town Manager 

DATE: January 23, 2017

SUBJECT: Cell Tower Update

The construction plans are almost completed. They are waiting for the soils report from the bore samples which were taken last week. They estimate that they will be prepared to submit for the required building permits no later than February 20th. They will give me a heads-up so we can then schedule a special called PZV Board meeting and possibly a special called Town Council meeting after that.
