Subject: News Update & Special Called Meeting Update 1/31/19

Good Afternoon Residents & Interested Parties,

The news that may be of interest to you is as follows:

- **Town Manager Candidate Contract** - The Council approved Joe Griffin's employment agreement at the Special Called Town Council Meeting that was held at 9 AM this morning. Mr. Griffin will start on Monday, February 11th.
- **Special Called Meeting 2/1/19** - There is a Special Called Town Council Meeting tomorrow, **February 1st at 12:30 PM** to discuss Old Winter Beach Road Construction - Change Order #10, RE: Full Depth Reclamation
- **Beach Profile Surveys** - You may or may not have noticed *the poles with marker tape and numbers on the beaches*. Per Kendra Cope, the Coastal Resources Coordinator for Indian River County Public Works: "Every winter and summer the County authorizes beach profile surveys to collect information on the shape 'profile' of the beach and compare those data to years past to understand possible trends. These data are also used to inform our beach management strategies recommended in the IRC beach preservation plan. Stakes are placed every 1,000 feet and are painted pink for the survey crew to clearly identify. The crew works North to South from County line to County line. The stakes will be removed once all survey data are collected. We ask that people *please do not remove these stakes* if they see them on the beach."
- The Pelican Island Audubon Society Presents: *Learn to Enhance Your Yard with **Native Plants** - 2nd Transforming Landscapes for a*
