Just FYI - If you are interested in some of the behind the scenes workings and history of Indian River County, it may be of interest to you to subscribe or look online for "[Lemmon Lines](#)," which is prepared by former Press Journal columnist Russ Lemmon. Pam Cooper, former supervisor of the Indian River Main Library archive center and genealogy, always provides a column with insight to people and places in the County.

We thank you and appreciate your continued interest in the affairs of the Town.

Respectfully yours,

*Laura*
