

Central East District Municipal Clerks Survey Recycle and Garbage Pick-Up

Tally: 34 Responses

Recycle: 30 weekly, 4 none provided } { Garbage: 24 - 2x week, 10 - 1x week

Frequency of Recycle		Garbage		Problems?	Notes	Municipality
1x	2x	1x	2x			
x			x		There is discussion of going to once a week for household trash but that has not gone to Council yet.	Malabar
x			x	None		Umatilla
x			x	None		Cocoa
x		x		None	do not recall there ever being a complaint about maggots, flies, etc.	Bunnell
x		x		None	switched this year to once a week pickup and have had very little complaint.	Daytona Beach Shores
x			x	None		Port Orange
x			x	None		Windemere
			x			Fort Pierce
			x			Sanford
x			x			Sebastian
x		x			We began this schedule about 3 years ago and so far have not received complaints	Orange City
x		x		None		Oak Hill
x		x				Rockledge
			x		We are looking into a recycle pickup	St. Cloud
x			x			Melbourne
x		x			WMgt provides 96 gal cans	Okeechobee
x			x		garbage Nazi's will tag and leave your garbage if they see recyclables in the regular waste.	Flagler Beach
x		x			We've had the weekly service for years and have not had problems or excessive complaints	DeBary
x		x			At transition to 1x week garbage collection we had many calls; only about 12 residents really got hostile about the new collection schedule. Objections were mostly about odor & potential for unsanitary conditions, not the conditions actually occurring . Residents also got a recycling cart, greatly reducing volume of garbage for most, substantially increased recycling participation, and was widely accepted by residents.	Lake Mary
x			x			Tavares
x			x			Edgewood
x			x			Maitland
x			x			Indialantic
x			x			Howey-in-the-Hills
x			x		The garbage used to be picked up once a week with an additional pick up during the summer months, but this was changed a few years back	Eustis
x			x			Satellite Beach
x			x		The issue of garbage collection is brought up frequently here. About once a year, somebody will bring up going to one pickup per week to save money. Each year, we discover that the savings wouldn't be that great because they will be picking up the same quantity of garbage but just doing it on one instead of two days.	Lake Helen
x			x			Indian Harbour Beach
x		x		None	initiated 1 day per week residential garbage service in conjunction with single-stream recycling on October 1, 2007. Our residents are pleased. 95 gal carts for garbage & 65 gal for recycling provided.	Stuart

Tally: 34 Responses

Recycle : 30 weekly, 4 none provided } { **Garbage**: 24 - 2x week, 10 - 1x week

Frequency of Recycle		Frequency of Garbage		Problems?	Notes	Municipality
1x	2x	1x	2x			
x			x		we did try to reduce it to once a week some years back and the citizens strongly objected.	Apopka
x			x			West Melbourne
x			x			Belleair Bluffs
x		x			No problems whatsoever; early on complaints of rodents, maggots, flies were advised to wrap putrefiables in plastic with ties. Move to once-a-week automated refuse collections (from twice a week manual collections) was found to have 88% positive customer rating after pilot test not mention all the financial, employee morale and operational benefits associated with same. Implementation has been even more successful as complaints have become practically non-existent.	Titusville
			x		do not provide curbside recycling to our residents	Kissimmee
