ATTENTION ALL RESIDENTS CELL TOWER SIMULATION

In order to provide our residents with an accurate simulation of the visual impact of both potential cell tower locations, on Tuesday, February 9, 2016, a crane will be parked at the two potential locations and will be set up to exactly 135'. The crane will remain in place for 1 ½ hours at each location as follows:

- West end of Fred Tuerk Drive (Electric Sub-Station) from approximately 12:30 p.m. to 2:00 p.m.
- On the North side of the Town Hall Complex from approximately 2:00 p.m. to 3:30 p.m.

Please call the Town Hall Administrative Offices if you have any questions.
