- (d) Information indicating the recommended contributions to the plan based on the plan's latest valuation, and the contributions necessary to fund the plan based on financial statements prepared pursuant to paragraphs (a) and (b), stated as an annual dollar value and a percentage of valuation payroll.
 - (2) Each defined benefit retirement system or plan, excluding the Florida Retirement System, and its plan sponsor:
- (a) Shall provide the information required by this section and the funded ratio of the system or plan as determined in the most recent actuarial valuation as part of the disclosures required under s. 166.241(3) and on any website that contains budget information relating to the plan sponsor or actuarial or performance information related to the system or plan.
 - (b) That has a publicly available website shall provide on that website:
- 1. The plan's most recent financial statement and actuarial valuation, including a link to the Division of Retirement Actuarial Summary Fact Sheet for that plan.
- 2. For the previous 5 years, beginning with 2013, a side-by-side comparison of the plan's assumed rate of return compared to the actual rate of return, as well as the percentages of cash, equity, bond, and alternative investments in the plan portfolio.
- 3. Any charts and graphs of the data provided in subparagraphs 1. and 2., presented in a standardized, user-friendly, and easily interpretable format as prescribed by the department.
- (3) The plan shall be deemed to be in noncompliance if it has not submitted the required information to the Department of Management Services within 60 days after receipt of the certified actuarial report for the plan year for which the information is required to be submitted to the department.
- (a) The Department of Management Services may notify the Department of Revenue and the Department of Financial Services of the noncompliance, and the Department of Revenue and the Department of Financial Services shall withhold any funds not pledged for satisfaction of bond debt service and which are payable to the plan sponsor until the information is provided to the department. The department shall specify the date the withholding is to begin and notify the Department of Revenue, the Department of Financial Services, and the plan sponsor 30 days before the specified date.
- (b) Within 21 days after receipt of the notice, the plan sponsor may petition the Department of Management Services for a hearing under ss. 120.569 and 120.57.
