The State of Florida requires that your vehicle be registered and that you obtain a Driver's License within 30 days of becoming a resident. As of November 1, 2009, the Indian River County Tax Collector's Office can help you accomplish many newcomer activities at once, offering

- Florida Driver's License for residents transferring their license from another state, including eye examinations (*no* road tests at their office);
- Vehicle Registration for license plates; and
- Voter's Registration.

Across the hall, at the Property Appraiser's Office, any Homestead Exemption information is available.
