The State of Florida requires that your vehicle be registered and that you obtain a Driver's License within 30 days of becoming a resident. The Indian River County Tax Collector's Office can help you accomplish many newcomer activities at once, offering

- Florida **Driver's License** for residents transferring their license from another state, including eye examinations (road tests by appointment only at this office);
- **Vehicle** Registration for license plates; and
- **Voter's** Registration.

Across the hall, at the Property Appraiser's Office, any **Homestead Exemption** information is available.
