Job Description:

Inspects buildings as they are constructed or renovated. Inspects existing buildings for safety and housing code compliance. Enforces all building codes and acts as liaison between the Town government and the general public. This is a skilled position, working independently under the general supervision of the Building Official. This position will be required to drive a Town vehicle.

Minimum requirements:

Documented experience working in inspection, and plans examination. Minimum of two years of experience as a building inspector or 1 & 2 Family Inspector License or equivalent is preferred. Must know local, state, and federal building codes, and possess interpretation experience of the codes in previous similar situations. Must have physical ability to inspect building sites and climb ladders and/or stairs to perform inspections.

Must be able to: communicate well verbally and written. Must be able to tactfully convey code violations to contractors, builders, and owners; be able to read and understand construction plans in order to determine if construction meets standards; schedule day's activities and complete report forms. Must possess or obtain a Standard Building Plan Certification within one year. Must possess, and provide a copy at time of application, a valid Florida driver license. Equal opportunity/affirmative action employer.

After successfully completing the six-month probation period employee is eligible for up to a 5% increase.
