PERMIT CONDITIONS

No permit shall be issued for a fee less than \$75.00. The said fees shall include payment for the permit and for the inspection of the work. If, upon inspection of the work or apparatus is found to not conform to and comply with the provisions of the building code, the building department shall notify the contractor, indication the corrections required. When notified that the corrections have been made, the work or apparatus shall be re-inspected charge. Also, when extra inspection trips are necessary due to any reason, a charge of \$50.00 shall be made for each trip, payable prior to re-inspect or partial inspection.

The payment of re-inspection fee shall be made before any further permits will be issued to the person owing the same.
