Memorandum

TO: Town Council

FROM: Robert H. Stabe Jr., Town Manager 

DATE: September 27, 2017

SUBJECT: Cell Tower Update

Datapath has notified me that they are in receipt of the lease agreement with Verizon Wireless. Curt Jones will be here tomorrow to begin the permitting process and anticipates that they should begin construction within the next week or two. Datapath also has a second carrier who has applied for space on the tower in process. I will continue to keep Council updated on the progress once construction begins.
